Full attendance, participation, and completion of the online session and speaker evaluations for each activity are required to receive CPE credit and for the credit to be recorded in the CPE Monitor[®] system. If you do not submit your CPE claim within 60 days from the start of the first CPE activity of the meeting (1:30 PM EST on November 18, 2024), you will be unable to receive credit, as this is the maximum amount of time allowed for providers to transmit CPE claims to ACPE. Overrides will not be provided to participants who do not complete all the steps in the claims process within the 60-day window.

Participants are responsible for submitting their own claims for credit; neither the National Association of Boards of Pharmacy[®] (NABP[®]) nor NABP/ACCP District 4 will submit claims on the participants' behalf.
